US TRANSPORTATION COMMAND

Worldwide Joint Training Conference 2003

Joint Training and Education Requirements

September 16, 2003

LTC Hil Evers

"Warfighter Support – Nothing Else Really Matters!"

Level I – Action Officers (04)

- Require Knowledge of Processes (Mobilization, Deployment, and Budget):
  - 30% Sign in with Limited Experience
  - Education Methods: Joint Advanced Distributed Learning

Level II – Senior Leaders (O5+)

- Knowledge of Strategy and Policy Drivers
  - Approximately one third of senior leaders come to USTRANSCOM with this knowledge
  - Education Method: 90 days Seminar/Classes/COCOM Trips

ISSUES

1. JOPES Skill Identifier / Tracking

- **Initiative: Readily identify JOPES trained personnel; proper utilization of Special Experience Identifier (SEI) / Additional Skill Identifier (ASI) for JOPES-trained personnel**

2. PME Special Area of Emphasis

- **Initiative: Develop a Special Area of Emphasis (SAE) for Joint Operations and Logistics and integrate it into all Officer Development programs and Professional Military Education (PME) courses**

ISSUES

3. JNTC add focus: "Get to the fight, and sustain"

- **Initiative: Rehearse deployment or sustainment every exercise.**

- **Standing Exercise Response Cell Capability:**
  - **JFCOM (Force Provider Process)**
  - **TRANSCOM (Transportation Process)**
  - **NORTHCOM (Force Protection Process)**
  - **Joint Staff (Authorization Process)**
